**COMMUNITY FEST  
SPONSORSHIPS 2026**

## Quiet Space Pavilion - \$20,000

Make it possible for attendees needing time away from dancing, music, and chatter to enjoy time in the Quiet Space Pavilion. Free of microphones and noisier activities, attendees can spend time in mindfulness and sensory areas—maybe even get a chair massage. Help CRi offer quieter, more independent activities such as nature crafts, large-piece puzzles, and a community crossword. Your visibility opportunities would include:

- 10-foot-wide space for skirted table at Pavilion entrance.
- 2 chairs behind table.
- Prominent signage recognizing your sponsorship leading to the Pavilion and inside the space itself.
- 4 60-second announcements for all attendees about your support of the Pavilion.
- Company logo on event web pages and marketing materials.
- Feature article in CRi's Community Connections Newsletter (3rd Thursday of month)
- 3 Social Media posts recognizing you as Pavilion sponsor.

## Activity Passport - \$10,000

Support opportunities for social skill development by sponsoring the Activity Passport. Your logo and branding would be the most prominent visuals on the passport area of everyone's registration badge, which attendees will see repeatedly throughout the several-hour event to play the Passport game. Attendees who socialize with all exhibitors (near the Quiet Space and in the Activities Pavilion) will receive a corresponding stamp. Everyone who fills their Passport with stamps receives a fidget toy with your logo and website on it. Two social media posts pre-event will be dedicated to the Activity Passport, acknowledging your sponsorship.

## Featured Activity Booth - \$5,000

- All features of Activity Booth.
- Most prominent location within Activities Pavilion, right next to entrance.
- 2-minute announcement focused just on your activity booth to attendees.

## Activity Booth - \$3,000-\$3,500

- Select activity on next page.
- 10-foot-wide space for skirted table and sponsored activity. See map on next page.
- Select activity; first come, first served.
- 2 chairs
- Your name in Activity Passport game square.
- Your logo on Ovations Pavilion onsite signage.
- Your logo on Community Fest web pages and marketing materials.
- 1 Social Media post dedicated to your booth.
